

D.A.V. MULTIPURPOSE PUBLIC SCHOOL, SONEPAT

HOLIDAY'S HOMEWORK (2023-24)

CLASS - IV

SUBJECT - ENGLISH

Summertime, summertime,

Let's go out and play.

Time for fun, and lots of sun.

I love these kind of days.

Summertime, summertime,

Swimming to stay cool.

Pillow fights,

And late night bites.

An awesome break from school!

Dear Parent,

We wish you and your child a very happy summer holiday. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for his /her holistic development.

1. India has a rich variety of landscapes ,climates and monuments. This has made it a famous tourist spot for people all over the world. Write a paragraph describing your visit to any one of the monuments in India in about 100 words . You have to draw or paste the picture of the same.
2. Reading is a good habit to inculcate. So this summer break, read at least five stories and write any two stories out of them in your own words (word limit -100 words) on A4 size sheet. Write the meanings of 20 new words you learnt through stories and use them in your own sentences.(on A4 size sheet)

3. It's always good to talk with someone as it makes us happy and helps to lead a healthy life. So this summer break take an interview of any one of your family members and ask them about their hobbies, what do they like to eat or their favourite player. Write five questions along with the answers given by them on an A4 size sheet.
4. Sports play an important role in shaping the life of every child. Everyone must play a sport of his/ her own choice. Make a collage of your favourite sport on A3 size sheet.
5. Use your innovative ideas and make a working model on the topic according to your roll numbers:
 - 1 to 8 - Pronouns and its types
 - 9 to 16 - Describing words
 - 17 to 24 - Present continuous tense
 - 25 to 32 - Past continuous tense
 - 33 to 40 - Future continuous tense

You can take the idea from the links provided below:
